## Accelerator Websites Acquired by ThriveFuel, LLC

September 20, 2021 – Carlsbad, CA - Accelerator Websites, a division of Sandra L. Leyva, Inc., has been acquired by ThriveFuel, LLC, a full-service marketing agency providing business development services with a focus on ROI.

Accelerator Websites' Founder Sandi Leyva noted, "This acquisition will add ThriveFuel's outstanding track record in ad management, media buys, CRM solutions, and integrated direct marketing using text and other outreach solutions to Accelerator Websites' existing strong offerings in websites, SEO, and content, while leveraging its strengths and deep knowledge of the tax and accounting profession."

Accelerator Websites will continue to run under the Accelerator Digital Media brand, offering comprehensive, done-for-you website packages as well as client newsletters, social media management, and now much more. The entire Accelerator Websites staff will now be part of ThriveFuel and serve the Accelerator Digital Media division. Learn more here: <https://acceleratorwebsites.com/>

ThriveFuel is a full-service digital advertising agency specializing in targeted digital campaigns, responsive website design and optimization, industry leading search engine strategies and social media plans for a variety of clients. The agency handles all forms of advertising and marketing, including branding, creative design, video production, outdoor, online, TV, radio, and print media planning and buying.
